

Hurry up!
2.6 billion people want to use the toilet

Imagine a life without a clean, private place to defecate and urinate. Imagine every day using fields, streams, railway lines or smelly plastic bags. Millions of people dream about the privacy of walls.

Millions of women have to do it with an audience

Without access to an appropriate toilet the lives of millions of women are dominated by the most basic of human needs. Every day they lack privacy, endure shame and endanger their health by waiting for dusk to avoid spectators. Have you ever thought about the true meaning of dignity?
